

In accordance with California's Code of Regulation, Title 5

ARC's Academic Senate is the organization whose primary function, as the representative of the faculty, is to make recommendations to the administration of a college and to the governing board of a district with respect to academic and professional matters.

"Academic and professional matters" means the following policy development and implementation matters:

(1) curriculum, including establishing prerequisites and placing courses within disciplines;

(2) degree and certificate requirements;

(3) grading policies;

(4) educational program development;

(5) standards or policies regarding student preparation and success;

(6) district and college governance structures, as related to faculty roles;

(7) faculty roles and involvement in accreditation processes, including self-study and annual reports;

(8) policies for faculty professional development activities;

(9) processes for program review;

(10) processes for institutional planning and budget development; and

(11) other academic and professional matters as are mutually agreed upon between the governing board and the academic senate.
