- C) Institutional Equity Project Team - equity and inclusivity is hard to understand unless you have experienced not being involved/included. FS thinks that senate should be involved in this project. Important to have a voice in this project. Everyone is welcome. FS to send to OP to send out via email. BT suggested to do a survey out to the students about that. Integrated Planning Improvement team is actually working on a survey.

Reports

A) Presidents' Report

- 1) Professional Dev Group met for the first time.
 - a) Current PD Committee will continue accepting applications for LRCEA members. Supervisors have their own district wide person at LRSA who accepts PD applications. Classified Senate will be the repository for SEIU and Confidential applications for PD. Olga will work on application materials, mirroring the process that LRCEA/Current PD Committee has.
- 2) CHPP – define and background – There will not be CHPP this year, because the campus is redesigning the Educational Master Plan and once the new system is up and running, there will be a place for that.
- 3) Need back up note taker for when Carissa is not here – email Olga or Carissa if interested. Beth Madigan will be backup when needed.

Announcements & Closing Comments
